OFFICE OF THE CLERK
U.S. HOUSE OF REPRESENTATIVES

July 31, 2013

Committee on Ethics
U.S. House of Representatives

HAND DELIVERED

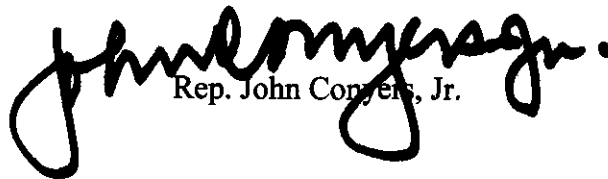

Dear Sirs and Madams:

In connection with the filing of my annual financial disclosure, please note that I understand that my spouse conveyed her investment property located at 3351 Charlevoix Street, Detroit, MI 48207 to her mother, Alice Estes in September, 2011. As a result, I am not listing that on the 2012 financial disclosure form and would like to treat this as an amendment to the 2011 form indicating such transfer.

With respect to possible liabilities incurred by my wife, I have not been able to obtain that information from Mrs. Conyers as of the date of this letter, as she informs me that she does not believe such information needs to be disclosed.

Please feel free to contact me should you have any questions.

Sincerely,

Rep. John Conyers, Jr.
