COMMENTS: Amendments completed for precision, as all good amendments are, and are true and accurate to the best of my knowledge after clarifying with a tax professional on 6/6/2019. At this point it appears no more are to be made to the preceding year number. It's important politicians are proactive and utilize others for their expertise (tax professionals for instance), as others utilize us for our love of country and willingness to defend its values - minute to minute.
