Re: Amendments to 2014 Financial Disclosure Statement

Dear Colleagues:

On my own initiative, I submit the following amendments to my 2014 Financial Disclosure Statement:

- Schedule F: Agreements: Add KPERS, the State of Kansas Retirement System for Public Employees, in which I am a participant arising out of my prior service in the Kansas State Legislature, dated for purposes of the 2014 FDS as of January 2014.
- Schedule C: Earned Income: The source of spousal salary is identified incorrectly as Kansas University of Medicine and Biosciences. The correct source is Kansas City University of Medicine and Biosciences.

Thank you for the opportunity to make these amendments. *By my signature below, I certify that the statements I have made in this letter are true, complete and accurate to the best of my knowledge, information and belief.* Please contact me if you have any questions or need additional information.

Sincerely,

Kevin W. Yoder
