RE: Correction to 2011 Financial Disclosure Statement

Dear Chairman Conaway, Ranking Member Sanchez and Members of the Committee,

Pursuant to the guidance my office has received from the House Committee on Ethics, I am writing to formally correct an error in my Calendar Year 2011 Financial Disclosure Statement filed with the Legislative Resource Center on May 15, 2012. The correction pertains to the conversion of certain assets listed under Schedule III of the Financial Disclosure Statement as well as a corresponding omission of the same conversion of those assets as a transaction under Schedule IV.

Three (3) assets owned by my spouse, Lisa McGovern, listed separately on page 4 of the Financial Disclosure Statement as ING Fidelity VIP Contrafund retirement account; ING Thornburg Value Portfolio retirement account; and ING VP Growth Portfolio retirement account were converted on September 9, 2011 to a single Fidelity - FA Freedom 2025 A retirement account. The aggregate value of the conversion of the three (3) ING retirement account assets into the single Fidelity Freedom 2025 A retirement account is within the \$50,001 to \$100,000 range. The Fidelity - FA Freedom 2025 A retirement account should have been listed on the 2011 Financial Disclosure Statement instead of the three (3) ING retirement accounts. Similarly the conversion of the assets should have been listed as a transaction under Schedule IV of the 2011 Financial Disclosure Statement. This asset information is accurately reported in my Calendar Year 2012 Financial Disclosure Statement.

Please contact me with any questions or concerns regarding this matter and thank you for your assistance.

Sincerely,

James P. McGovern
Member of Congress
