Dear Ms. Haas:

In July of 2008 a personal friend and I created an LLC in order to purchase a piece of property. The property has since lost value and I erred in my interpretation of the financial disclosure rules pertaining to this entity. I neglected to list the LLC because the property has generated no income, actually has lost money and as a result I didn't realize it needed to be listed.

Therefore, I am hereby amending calendar year 2008 and 2009 financial disclosure statements in schedule III. There should be a listing of E&J Realty Group LLC, Bronx, NY (24% ownership). Block B year end value should be \$100,001-\$250,000.

The 2010 financial statement also needs to be amended due to a misspelling of E&J Realty Group LLC. Block B should also be changed to \$100,001-\$250,000.

Thank you for your attention to this matter.

Sincerely,

Eliot L. Engel
