## About this statement

### Clearing services

First Clearing, LLC ("FCC"), an indirect wholly owned subsidiary of Wells Fargo & Company, is a clearing broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the New York Stock Exchange ("NYSE"), the Financial Industry Regulatory Authority ("FINRA"), and all principal U.S. exchanges. FCC carries your account(s) and acts as your custodian for funds and securities deposited with us directly by you, through our affiliated broker-dealer, Wells Fargo Advisors, LLC ("Wells Fargo Advisors") or as a result of transactions we process for your account. Twice a year, FCC publishes on its web site [www.firstclearing.com](http://www.firstclearing.com) a statement of the firm's financial condition. Alternatively, a printed statement is available to you upon request. Unless and until we receive written notice from you to the contrary, FCC may, without inquiry or investigation, accept from Wells Fargo Advisors (i) orders for the purchase or sale of securities for your account on margin or otherwise, and (ii) any other instructions concerning your account.

### Trade date statement

All activity and positions on this statement are shown as of the date a trade is entered on the brokerage trading system (i.e., the trade date). Proceeds from the sale of securities and costs for the purchase of securities are not transacted through your account until the actual settlement date of the trade, which may be up to three business days after the trade date (or longer for certain securities with an extended settlement date).

### Pricing of securities

Securities prices reflected on your statement may vary from actual liquidation value. Prices shown are provided by outside quotation services which we believe to be reliable but due to the nature of market data the accuracy of such prices cannot be guaranteed, or in the absence of such pricing, are estimated by Wells Fargo Advisors using available information and its judgment. Such estimates may not reflect actual trades and do not reflect a commitment by the firm to buy or sell at those prices. Securities listed on a national exchange such as the NYSE or Nasdaq Stock Market are priced as of the close of the statement period. Unlisted shares may be valued at the current best published "bid-price", and, if none exists, the last reported transaction if occurring within the last 45 days. Prices of securities not actively traded may not be available and are indicated by "N/A." Corporate and municipal bonds and other fixed income securities are priced by a computerized pricing service or, for less actively traded issues, by utilizing a yield-based matrix system to arrive at an estimated market value. Listed options are priced based on the closing "bid-ask" prices and the last reported trade. Mutual fund shares are priced at net asset value. Shares of direct participation program ("DPP") and real estate investment trust ("REIT") securities that are not listed on a national exchange are generally illiquid. Because no formal trading market may exist for these investments, their values are estimated. Unless otherwise indicated, the values shown for DPP and REIT securities have been provided by the management of each program and represent that management's estimate of the investor's interest in the net assets of the program. See statement sections for additional pricing information. Prices for hedge funds and certain managed futures funds are provided on a month delay basis. Other managed futures funds may be priced more frequently. Long-term certificates of deposit (maturity beyond one year from date of issue) are priced using a market value pricing model. Generally, the sale or redemption price of your securities may be higher or lower than the prices shown on your statement. For an actual quote, contact the individual servicing your account.

### Estimated annual income/yield

Estimated Annual Income ("EAI"), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield ("EAY"), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors. FCC and our Firm are not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.

### Income summary

The income summary displays all income as recorded in the tax system as of period end date. The totals in the Cash flow snapshot may not match the totals in the income snapshot due to reclassifications or other corrections made in the tax system. Remember, you may have certain products that are not included in these figures and whose income is only available on the tax forms sent to you at year-end. Reclassifications and other tax reporting requirements may alter these numbers both during and after year end. You should rely only on tax reporting documents. Contact your tax advisor if you have any questions about the tax consequences of your brokerage activity.

### SIPC Protection

Securities and cash in client accounts have two sources of protection. Wells Fargo Advisors is a member of the Securities Investor Protection Corporation ("SIPC"). SIPC protects the clients of its member firms against the loss of their securities in the event of the member's insolvency and liquidation. Each client is insured up to a maximum of \$500,000 (including \$250,000 for claims for cash). For more information on SIPC coverage, please see the explanatory brochure at [www.sipc.org](http://www.sipc.org) or contact SIPC at (202) 371-8300. In addition, Wells Fargo Advisors maintains a program of excess protection. This additional insurance coverage is provided through London Underwriters (led by Lloyd's of London Syndicate) ("Lloyd's"). For clients who have received the full SIPC payout limit, Wells Fargo Advisors' policy with Lloyd's provides additional coverage above the SIPC limits for any missing securities and cash in client brokerage accounts up to a firm aggregate limit of \$1 billion (including up to \$1.9 billion for cash per client). SIPC and the additional protection do not insure the quality of investments or protect against losses from fluctuating market value.

### Investor education

Wells Fargo Advisors publishes on its web site [www.wellsfargoadvisors.com](http://www.wellsfargoadvisors.com) information on topics of interest to investors as well as market commentary and economic analysis. Wells Fargo Advisors has also developed numerous investor education guides to provide you with important information regarding the products and services we offer. These guides may be found under the "Investor Education" tab.

### Free credit balances

Free credit balances are not segregated and may be used by FCC in the operation of its business in accordance with TCFR Section 240.15c3-2 & 3 under the Securities and Exchange Act of 1934. You have the right to receive from us in the course of normal business operations, subject to any open commitments in any of your accounts, any free credit balances to which you are entitled.

### Investment objectives/Risk tolerances

Please inform us promptly of any material change that might affect your investment objectives, risk tolerances or financial situation, or if you wish to impose or change any reasonable restrictions on the management of your account. A copy of the Investment Advisory Services Disclosure document is available without charge upon request. Please contact the individual denoted on the front of your statement to update your information and to receive a copy of this document.

### Tax reporting

We are required by federal law to report annually to you and to the Internal Revenue Service ("IRS") on Form(s) 1099 interest income, dividend payments and sales proceeds including cost basis information for applicable transactions credited to your account.

Transactions displayed here are Transfer To, Transfer From and Reinvested Dividends and Interest. These transaction amounts are not included in your cash flow summary.

## Specific instructions and disclosures

### Cost basis - To add or update information or modify your reporting options, please contact Your Financial Advisor.

This statement presents estimated unrealized or realized gains or losses for your information only. If acquisition or other information is not available, the gain/loss information may not be displayed and section and summary totals may not reflect your complete portfolio. Cost basis information is not verified by FCC or Wells Fargo Advisors and should not be relied upon for legal or tax purposes. Revisions to this information (due to corporate mergers, tenders and other reorganizations) may be required from time to time.

Cost basis for fixed bonds (GNMA, CMO, etc.) will be adjusted for payoff of principal. Systematic investments in mutual funds and reinvested dividends for mutual funds and stocks have been consolidated for each position. Unit cost data for systematic investments and dividend reinvestment securities is provided for informational purposes only and is a non-weighted average.

Your account statement should not be used for tax preparation without assistance from your tax consultant. We do not report capital gains or losses for non-covered securities to the IRS.

### Cost basis options

Unless specific tax lots are selected at trade time, sales of tax lots will occur using the cost basis election reflected in the Account profile section.

### IRA withholding notice

#### Form W-4P/OMB No. 1554-0015

The withdrawals you receive from your IRA (except Education IRA) are subject to Federal income tax withholding unless you elect not to have withholding apply. If you have a periodic, or an "on demand" distribution, your election regarding our withholding of Federal income tax on your behalf stays in effect until you change it. You may change or revoke your election at any time and as often as you wish by completing a new election form. If you elect check writing privileges, you will also have previously elected to have no withholding on your withdrawals. If you decide to have taxes withheld you will not be eligible for check writing from your IRA. If you elect not to have taxes withheld you will be liable for payment of all taxes due on the taxable portion of your distribution and you may be responsible for payment of estimated tax. You may be subject to tax penalties under the estimated tax payment rules if your payments or estimated tax and withholding, if any, are not adequate.
