Maximum Anniversary Value (MAV) \$351,962.96

The MAV above is for illustration purposes only and is based on the oldest age of the Owners and Annuitants currently on file. The MAV actual values may differ and will be based on the actual decedent, age at death, and the highest anniversary value (adjusted for subsequent surrenders/premium payments) attained prior to the earliest of the date of death or decedent's 81st Birthday.

The MAV is not equivalent to the final Death Benefit; it is only one component of the overall Death Benefit calculation. The Death Benefit will be calculated on all contracts associated with this client the day we receive the certified death certificate. Once the Death Benefit is calculated, the benefit amount remains invested and is subject to market fluctuation until complete settlement instructions are received. Contractual and prospectus provisions will be the sole and final determinant of all Death Benefits.

"The Hartford" is The Hartford Financial Services Group, Inc., and its subsidiaries, including the issuing companies of Hartford Life Insurance Company and Hartford Life and Annuity Insurance Company.

Taxable distributions (including certain deemed distributions) are subject to ordinary income tax and, if made prior to age 59½, may also be subject to a 10% federal income tax penalty. Early surrender charges may also apply.

Continuous or periodic investment plans neither ensure a profit nor protect against a loss in declining markets. Because these programs involve continuous investing regardless of fluctuating price levels, you should carefully consider your financial ability to continue investing through periods of fluctuating market prices.

Investing in a variable annuity through a tax-advantaged retirement plan such as an IRA provides no additional tax advantage from the variable annuity and should only be considered if it makes sense because of the annuity's other features, such as lifetime income payments or death benefit protection.

Neither we, or any third party service provider, nor any of the respective affiliates, is acting as an investment advisor or fiduciary under the Investment Advisor's Act, The Employee Retirement Income Security Act of 1974, as amended (ERISA), or the Internal Revenue code.
