RE: 2010 Financial Disclosure Clarification

In response to a question from the Committee, the following clarification needs to be made regarding asset listings in my 2010 Financial Disclosure Statement.

Three funds (AMCAP, SMALLCAP, & Europacific Growth) listed last year as Roth IRA assets were exchanged into the 2045 Target fund. That is the reason only the 2045 Target fund is listed as an asset on the current disclosure. The exchange date was 9/21/2010 and the amount range was \$15-50,000.

Appreciate your inclusion of this clarification in the records. Thanks for your assistance with this issue.
