U.S. HOUSE OF REPRESENTATIVES

Dear Ms. Haas,

During a recent review of my two financial disclosure statements filed when I was a candidate for the U.S. House of Representatives in 2013 and 2014, it came to my attention that the schedule listing bank account balances contained inadvertent errors in the value ranges. I am filing this letter to correct the record with regard to these accounts.

The following tables list corrected value ranges, as of the time of filing, for the accounts included in the table.
