Re: Congressman-Elect Markwayne Mullin's Amended Personal Financial Disclosure Statement

Dear Chairman Bonner and Vice-Chairwoman Sanchez,

This correspondence is in response to your letter dated November 20, 2012 to our client, Congressman-Elect Markwayne Mullin, concerning three minor deficiencies in his amended Personal Financial Disclosure Statement. This correspondence should ameliorate these deficiencies.

First, on page 1 of 9 of Congressman-Elect Markwayne Mullin's report, under the heading "Preliminary Information" question number four is currently checked "no." This should be amended and checked "yes."

Second, on the signature page, where Congressman-Elect Mullin signed the report, the signature line is currently not dated. May 15, 2012, should be entered as the date the Personal Financial Disclosure Statement was signed.

Third, the following businesses are listed on Congressman-Elect Mullin's Personal Financial Disclosure Statement on page 4 of 9, Schedule II, under Block A. The type of each business, and the location of each business, however, is not listed. The following list is how this section should read:

- Mullin Plumbing, Inc.
118 S. Elm

Broken Arrow, OK 74012

Business type (residential and commercial plumbing services)

- Mullin Services, Inc.
118 S. Elm
Broken Arrow, OK 74012
Business type (residential and commercial heating, air condition, ventilation and other repairs, remodels and installation).
- Mullin Environmental
118 S. Elm
Broken Arrow, OK 74012
Business type (residential and commercial septic treatment services and mobile water treatment services)
- Mullin Plumbing West
2936 North Shields Blvd.
Moore, OK 73160
Business type (residential and commercial plumbing services)
- Mullin Plumbing New Construction
118 S. Elm
Broken Arrow, OK 74012
Business type (install new plumbing services for both residential and commercial buildings).

Additionally, the following business was mistakenly not present on the personal financial disclosure form. The form is now amended to include the following business in Section II.

- Mullin Farms, LLC
118 S. Elm
Broken Arrow, OK 74012
Business type: cattle ranch
Year end assets: \$5,584
Income: From Cattle Sales; Amount of Income: \$13,809; Current Year \$13,809
Preceding year-\$0

These were the only three items noted as deficient in your November 20th letter. This correspondence should therefore satisfy your noted deficiencies. If, however, you require additional information, please do not hesitate to contact us.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Markwayne Mullin', with a horizontal line drawn underneath it.

Markwayne Mullin
Congressman-Elect Markwayne Mullin
