Re: Amendment to 2014 Financial Disclosure Statement

Dear Colleagues:

I received your letter dated June 29, 2015 regarding my 2014 Financial Disclosure Statement. In your letter you raised 4 matters that may be in need of amendment. In response to your letter, I submit the following amendment to that statement:

- **Schedule B: Transactions.** Add *Enlink Midstream Partners LP*, purchased 8/15/14, which was properly reported in Schedule A as an asset and was properly reported on a Periodic Transaction Report in 2014.

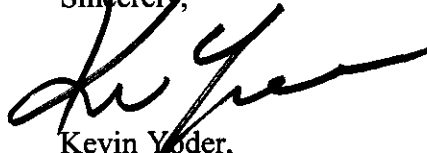

The three other matters raised I do not believe require amendment to the 2014 Financial Disclosure Statement.

- *Oil Tanking Partners LP* shares were purchased for \$971.57 on 8/15/14, under \$1,000, therefore no Periodic Transaction Report was required, although it was reported anyway, nor is it required to be listed under Schedule B of the Financial Disclosure Statement per the US House Committee on Ethics Instruction Guide. It was listed in Schedule A as an asset worth less than \$1,000 on 12/31/14, although it was not required to be listed.
- *Rose Rock Midstream LP* shares were purchased for \$955.20 on 8/15/14, under \$1,000, there for no Periodic Transaction Report was required, although it was reported anyway, not is it required to be listed under Schedule B of the Financial Disclosure Statement per the US House Committee on Ethics Instruction Guide. All shares in this asset were sold on 12/15/14 for less than \$1,000.

- *Enable Midstream Partners LP* was filed as a Periodic Transaction Report last year, a copy of which is attached.

Please let me know if you need additional information or if there are other matters that I need to clarify or amend. ***By my signature below, I certify that the statements I have made in this letter are true, complete and accurate to the best of my knowledge, information and belief.*** Please contact me if you have any questions or need additional information.

Sincerely,
