The Honorable Karen L. Haas  
Clerk  
U.S. House of Representatives  
H154 Capitol  
Washington, DC 20515

Dear Ms. Haas:

I am writing to provide several amendments to my past annual Financial Disclosure statements. It has recently come to my attention that home equity loans and lines of credit must be disclosed as liabilities separate from mortgages on the same properties. I sincerely regret that these items were not originally included in a timely manner, and I would appreciate your assistance in amending my previous filings accordingly.

I have included the relevant information for 2015 on Schedule D of my electronically-filed 2015 Financial Disclosure. Details of the additions to prior years are as follows:

**Home Equity Line of Credit – 1270 Ives Road, Warwick, RI**

In 2011, I borrowed against a home equity line of credit on my primary residence (1270 Ives Road, Warwick, RI). *Note: This liability was originally incurred in October 2009 but was not required to be disclosed until 2011, when disclosure of primary residence liabilities was first required.*

In 2011, the year-end balance on this line of credit was between \$50,000 and \$100,000.

In 2012, the year-end balance on this line of credit was between \$50,000 and \$100,000.

In 2013, the year-end balance on this line of credit was between \$50,000 and \$100,000.

In 2014, the year-end balance on this line of credit was between \$50,000 and \$100,000.

**Home Equity Loan – 1270 Ives Road, Warwick, RI**

In July 2013, I incurred a liability in the form of a 10-year, fixed-rate home equity loan on my primary residence (1270 Ives Road, Warwick, RI).
