*Re: Further Amendments to 2012 Financial Disclosure Statement*

Dear Colleagues:

By letter dated July 26, 2013, I amended my 2012 Financial Disclosure Statement. Now, in response to an issue identified your letter dated June 13, 2014 regarding my 2013 FDS, I submit this *further amendment to my 2012 FDS*:

- **Schedule A: Assets and Unearned Income:** Add TRP Retirement 2040 as a spousal asset. The value of the asset was \$1,001 - \$15,000, the type of income was tax-deferred, and the amount of income was none.

Also, on my own initiative, I submit the following additional amendments to my 2012 FDS:

- **Schedule C: Earned Income:** The source of spousal salary is identified incorrectly as Kansas University of Medicine and Biosciences. The correct source is Kansas City University of Medicine and Biosciences.
- **Schedule F: Agreements:** Add KPERs, the State of Kansas Retirement System for Public Employees, in which I am a participant arising out of my prior service in the Kansas State Legislature, dated for purposes of the 2013 FDS as of January 2013.

Thank you for the opportunity to make these amendments. *By my signature below, I certify that the statements I have made in this letter are true, complete and accurate to the best of my knowledge, information and belief.* Please contact me if you have any questions or need additional information.

Sincerely,

Kevin Yoder  
Member of Congress
