COMMENTS: After spending time with those who work hourly and work so hard to make ends meet- it is apparent how disconnected many of our members of Congress are to the plight of our working poor. We must debunk this myth that those who work for low hourly wage are just "starting" position. Many of our working poor are adults trying to raise families, pay their bills, put food on their table, and are so grateful that our ACA now provides them access to Affordable Health Insurance.			
John Q Hammons Hotels Mgmt	Salary	N/A	\$15,003.77
COMMENTS: Promoting the benefits of our Hospitality and Travel industry is an opportunity we have not tapped into in our North Carolina Congressional District 09. With a focus on a region strategy to increase revenues and taxes from both domestic and international travel- We can provide a comfortable padding for our Tax Base. Thus, reducing our resident and business tax rates. Our region has all the right tools to become a domestic and international destination travel point.			
2824Selma LLC	Hospitality Online Consultant salary	N/A	\$1,250
COMMENTS: This myth that small business owners are "over regulated" needs to be debunked and stopped being used as a political scare tactic. I have yet to meet a small business owner who will admit they are so bad at running their business they can not adjust to changing markets!

Owner	Creditor	Date Incurred	Type	Amount of Liability
	Department of Education	02/23/2012	Student Loan	\$15,001 - \$50,000
COMMENTS: Continued education should always be encouraged so we can continue to compete against our ever changing world markets. I'm proud to have always tried to continue to education! However, it has highlighted our need to address our out dated student loan program so we can promote continued education for adults without putting them in debt for years!				

SCHEDULE E: POSITIONS

Position	Name of Organization
Pet Sales Associate	Petco Animal Supplies Stores INC
COMMENTS: Pet cancer is the #1 disease-related killer of dogs and cats. We must do a better job educating those who decide to become a Pet Parent of the responsibility that goes along with this privilege. Spay and Neuter should not be a debatable issues to help reduce our overcrowding of unwanted Pets in America. This serious issues is costing taxpayers and can be addressed with sensible Pet Control solutions in conjunction with educating breeders. We need to wipe out puppy and pet mills.	
Pet Sales Associate II	Petco Animal Supplies Stores INC
COMMENTS: Every Pet deserves complete care when a family decides to take on the responsibility of Pet ownership. The reality is that Pet's today are no longer considered "property" and laws must be updated to reflect this change. Just like the role of horses has during the 1800's. We must update our laws to reflect how our Dogs and Cats impact our family environment in our modern times. Sensible solutions can be found so that we can reduce the amount of irresponsible Pet ownership that end up costing t	
Director of Front Office	John Q Hammons Hotels Management
COMMENTS: The plight of our working poor is a serious issues within our Hospitality Industry. We are seeing a rise in union activity because of irresponsible management styles of several of our major private and public hotel management companies. If we are to continue to lead the world in Hospitality we must learn to treat our internal guest as well as we treat our external guests. All workers should have a right to decided what is the best action to take to earn a living wage! If that means unionizing

COMMENTS

My Financial Discloser Statement shows that that everyone has right to run for public office, if they desire. Our Founding Fathers did not intended for Congress to be a life long Profession. That is why I have committed to supporting and acting on term limits when I take office as your next NCo9 Congressperson. I have had the good fortune to surpass many of my Professional goals in my years as a Hospitality Professional. Now it's time to give back and speak for those who can only whisper!
