*Re: Amendments to 2013 Financial Disclosure Statement*

Dear Colleagues:

I received your letter dated June 13, 2014 regarding my 2013 Financial Disclosure Statement. In response to your letter, I submit the following amendment to that statement:

- **Schedule F: Agreements:** Add KPERS, the State of Kansas Retirement System for Public Employees, in which I am a participant arising out of my prior service in the Kansas State Legislature, dated for purposes of the 2013 FDS as of January 2013.

Additionally, in a separate letter, I will amend my 2012 FDS to disclose TRP Retirement 2040 as a spousal asset. I disclosed this asset this year for 2013, and disclosed it on my 2011 FDS, but inadvertently did not disclose it for 2012.

Finally, on my own initiative, I submit the following additional amendments to my 2013 FDS:

- **Schedule C: Earned Income:** The source of spousal salary is identified incorrectly as Kansas University of Medicine and Biosciences. The correct source is Kansas City University of Medicine and Biosciences.
- **Schedule A: Assets and Unearned Income:** Add Kevin W. Yoder, P.A., a dormant law firm in Overland Park, Kansas. The year-end value of the asset was indefinite, the type of income was none, and the amount of income was none. This asset was terminated (i.e., not sold, transferred, exchanged or otherwise converted for value) as of April 2013.
