OFFICE OF THE CLERK
U.S. HOUSE OF REPRESENTATIVES

Daniel C. Boone

Canyon Lake Ranch, Texas 78133

TO: Federal Election Commission,

This letter is request that my candidacy be terminated for U.S Congress, Texas House District 21. On December 1st. I was diagnosed with stage four cancer and therefore decided that it was not in my interest or the interests of the people of District 21 that I attempt to run. The last day to file in Texas was 14, December 2015. I did not file here in Texas and therefore will not be on the ballot.

Please delete me from your list. I have not received any donations and I have not expended any funds on the intended campaign.

Cordially yours,

Daniel C. Boone
