Dear Clerk Haas:

I write to provide additional information to supplement my 2012 candidate Financial Disclosure Statement.

First, I do verify that the "Passive Age-based Portfolio 18 & over" entry on page 12 of the Statement is part of a California 529 plan. I also confirm that Cameron Investment Corporation is not a private operating business, and that therefore all of its holdings have already been itemized on the Statement.

Furthermore, I am amending page 3 of the Statement (Schedule II - Assets and "Unearned" Income) to clarify that the "Charles Schwab Account" and "CL King Account" entries are money market accounts. Finally, in the course of reviewing these materials I noticed that I checked the wrong box for one entry listed on page 5 of that Statement; specifically, the entry in Block B for Unitil should be marked in Column H, instead of Column F.

Please consider this letter an amendment to the relevant entries, and please feel free to contact me at your convenience if you have any follow up questions about the Statement or about this letter.

Sincerely,

Scott H. Peters
Member, U.S. House of Representatives
