BLOCK A Asset and/or Income Source			BLOCK B Value of Asset													BLOCK C Type of Income							BLOCK D Amount of Income																											
Identify (a) each asset held for investment or production of income with a fair market value exceeding \$1,000 at the end of the reporting period, and (b) any other reportable asset or source of income which generated more than \$200 in "unearned" income during the year. Provide complete names of stocks and mutual funds (do not use ticker symbols).  For IRAs and other retirement plans (such as 401(k) plans) that are self-directed (i.e., plans in which you have the power, even if not exercised, to select the specific investments), provide the value for each asset held in the account that exceeds the reporting thresholds. For all other retirement accounts which are not self-directed, provide only the name of the institution holding the account and the value at the end of the reporting period. For rental or other real property held for investment, provide a complete address.  For an unearned interest in a privately-held business that is not publicly traded, state the name of the business, the nature of its activities, and its geographic location in Block A.  Exclude: Your personal residence, including second homes and vacation homes (unless there was rental income during the reporting period); any deposits totaling \$5,000 or less in personal checking or savings accounts; and any financial interest in, or income derived from, a federal retirement program, including the Thrift Savings Plan. For a detailed discussion of Schedule II requirements, please refer to the instruction booklet.			Indicate value of asset at close of reporting year. If you use a valuation method other than fair market value, please specify the method used.  If an asset was sold during the reporting year and is included only because it generated income, the value should be "None."													Check all columns that apply. For retirement accounts that do not allow you to choose specific investments or that generate tax-deferred income (such as 401(k) plans or IRAs), you may check the "None" column. Dividends, interest, and capital gains, even if reinvested, must be disclosed as income. Check "None" if the asset generated no income during the reporting period.
