Regarding: 2013 Financial Disclosure Statement Review

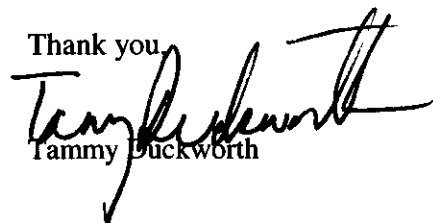

To Whom It May Concern:

The purpose of this letter is to respond to your letter of June 16, 2014, which questioned the following items on the subject Disclosure Statement:

- No PTR's were filed for 2013 transactions – Attached is a copy of the PTR for the questioned transactions.
- Liabilities on Schedule D were not reported on the previous FD – Attached is a copy of my amendment letter addressing the liabilities that were inadvertently omitted from the 2012 Annual Disclosure.
- Schedule A, page 4 and Schedule B, page 3 JT – Cisco Systems, Inc – There were two (2) Sales, one marked Partial and the other Complete of this holding. Both transactions were done on the same day, but at different market prices, so were entered as separate transactions. The holding was fully sold by the end of that day, no re-purchase was made and therefore the asset was reported as having no balance at the end of the year.

Please call me at (202) 225-3711 if you have any questions.

Thank you,

Tammy Duckworth
