***Re: Amendment to 2015 Financial Disclosure Statement***

Dear Colleagues:

I received your letter dated June 21, 2016, regarding my 2015 Financial Disclosure Statement. In it, you raised several matters. I have addressed most of those matters via amendments submitted through the online filing system. In addition, I submit the following information:

On my 2014 Financial Disclosure Statement, I reported ownership of Enable Midstream Partners, LP Common Units representing limited partner interests (ENBL), valued at \$1,001 - \$15,000. I still own the asset, but did not report it on my 2015 Financial Disclosure Statement because the value of the asset fell below the reporting threshold.

Thank you for the opportunity to make these amendments. By my signature below, I certify that the statements I have made in this letter are true, complete and accurate to the best of my knowledge, information and belief. Please contact me if you have any questions or need additional information.

Sincerely,

Kevin W. Yoder
