Dear Madam Clerk:

In preparing the current Financial Disclosure Statement, it came to my attention that I inadvertently omitted disclosure of two entities on Schedule A of the CY 2013 FDS, which had both been reported on the CY 2012 FDS. Please consider this letter alongside my amendment to my CY 2013 FDS.

As we were in the midst of changing financial advisors, our advisor assisting with preparation of the report omitted these two items from the report. We did not catch this nor were we alerted to it by the preview of the report done by House Ethics staff.

I accept responsibility for the omissions, and the CY 2013 FDS, Schedule A is being amended to include:

TLC Community Credit Union    year end value: over \$50,000 (This asset was briefly deposited in our banking account as we transitioned between financial advisors.)

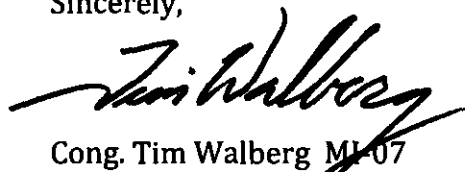

type of income: interest  
amount of income: \$1-\$200 category

Oil lease - Savoy Energy, LP

year end value: unascertainable  
type of income: rent and royalties  
amount of income: \$15,000-\$50,000 category  
(\$19,200 specifically)

I trust this provides necessary information to correct the errors in reporting.

Sincerely,

  
Cong. Tim Walberg MI-07
