PLEASE NOTE**PLEASE NOTE: IMPORTANT SPOUSAL BENEFIT INFORMATION**

The Internal Revenue Service recently ruled that same-sex couples, legally married in jurisdictions that recognize their marriages, will be treated as married for all federal tax purposes. The ruling implements federal tax aspects of the recent U.S. Supreme Court decision invalidating a key provision of the Defense of Marriage Act and applies to all federal tax provisions where marriage is a factor, including tax provisions related to annuity contracts. Contract holders in same-sex marriages should consult a tax advisor to determine how the ruling affects their spouse under their annuity contract.
