Attn: Karen L. Haas, Clerk of the US House of Representatives, H-154

Recently while reviewing my tax returns, a discrepancy has been found in my 2013 Financial Disclosure. I'd like to make an amendment to my 2013 Financial Disclosure. The income received from Delta Consulting Group needs to be changed to the \$100,000-\$250,000 bracket. If you have any questions regarding the amendment please contact Natalie Armijo, Chief of Staff, at 202-225-6316 or natalie.armijo@mail.house.gov.

Sincerely,

Michelle Lujan Grisham
Member of Congress
