RE: 2010 Financial Disclosure Statement  
Richard (Rick) A. Berg  
House Member – State of North Dakota

I am hereby submitting additional information that was inadvertently missed on my original 2010 Financial Disclosure Statement which was filed in June 2011.

Schedule III, Assets and Unearned Income:

On my original 2010 Financial Disclosure Statement, I listed Commercial Building #1-Fargo, ND and Commercial Building #2-Fargo, ND under Jimberg Partners LLP. An additional asset under Jimberg Partners LLP also should have been included – Net Value Real Estate Mortgages, which had a value on December 31, 2010 of between \$1,000,001 and \$5,000,000. This asset generated partnership income during 2010 of an amount between \$100,001 and \$1,000,000.

Please contact me if you have any questions.

Thank you for your assistance.

Sincerely,

Richard (Rick) A. Berg
