Dear Mrs. Haas:

It recently came to my attention that I was mistakenly elected to the Board of Directors of the Big Brothers Big Sisters of Northeast Florida as a regular member of the board, instead of being elected as an Honorary Member of the Board. It was always my intention to serve this wonderful organization in an honorary capacity.

Since this election was approved by the Board of Directors, I have not fulfilled the normal responsibilities of a regular Board Member, since that was never my intent. For instance, I have not been able to meet the minimum attendance requirements of a Board Member and I have not been able to attend the many public events that Board Members are asked to attend.

As a result of this misunderstanding, my financial disclosure forms have not reflected my status as a member of the board of directors of the Big Brothers Big Sisters of Northeast Florida organization. This election took place on or around January, 2008. I would like to respectfully amend my 2008, 2009 and 2010 Annual Financial Disclosure statements to reflect that since 2008 I have apparently been listed as a member of the Board of Directors of the Big Brothers Big Sisters of Northeast Florida organization, when in fact I thought I agreed to serve as an Honorary Member of the Board. I have not received any compensation with respect to this position.

Please note that effective immediately, I have asked the Board of Directors of the Big Brothers Big Sisters of Northeast Florida organization to redesignate my position on their Board as an "Honorary" position as was originally intended.

Should you need any additional information regarding this matter, please do not hesitate to contact my office.

Sincerely,

ANDER CRENSHAW
