SCHEDULE III - ASSETS AND "UNEARNED" INCOME

Name Lamar Seeligson Smith

Page 3 of 17

BLOCK A

Asset and/or Income Source

Identify (a) each asset held for investment or production of income with a fair market value exceeding \$1,000 at the end of the reporting period, and (b) any other reportable asset or source of income which generated more than \$200 in "unearned" income during the year.

Provide complete names of stocks and mutual funds (do not use ticker symbols.)

For all IRAs and other retirement plans (such as 401(k) plans) that are self-directed (i.e., plans in which you have the power, even if not exercised, to select the specific investments), provide the value for each asset held in the account that exceeds the reporting thresholds. For retirement accounts which are not self-directed, provide only the name of the institution holding the account and its value at the end of the reporting period.

For rental or other real property held for investment, provide a complete address.

For an ownership interest in a privately-held business that is not publicly traded, state the name of the business, the nature of its activities, and its geographic location in Block A.

Exclude: Your personal residence, including second homes and vacation homes (unless there was rental income during the reporting period); any deposits totaling \$5,000 or less in a personal checking or saving accounts; and any financial interest in, or income derived from, a federal retirement program, including the Thrift Savings Plan.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC), or is jointly held with your spouse (JT), in the optional column on the far left.

BLOCK B

Year-End Value of Asset

At close of reporting year. If you use a valuation method other than fair market value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None."

BLOCK C

Type of Income

Check all columns that apply. For retirement accounts that do not allow you to choose specific investments or that generate tax-deferred income (such as 401(k) plans or IRAs), you may check the "None" column. Dividends, interest, and capital gains, even if reinvested, must be disclosed as income. Check "None" if the asset generated no income during the reporting period.

BLOCK D

Amount of Income

For retirement accounts that do not allow you to choose specific investments or that generate tax-deferred income (such as 401(k) plans or IRAs), you may check the "None" column. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, interest, and capital gains, even if reinvested, must be disclosed as income. Check "None" if no income was earned or generated.

BLOCK E

Transaction

Indicate if asset had purchases (P), sales (S), or exchanges (E) exceeding \$1,000 in reporting year.
