The Honorable Lorraine Miller  
Clerk of the House  
U.S. Capitol, Room H-154  
Washington, DC 20515

Dear Honorable Miller,

Upon further review of my financial disclosure forms, please remove the Faith and Politics Pilgrimage to Mississippi which occurred March 28-30, 2008. I reimbursed the Faith and Politics Institute for all costs incurred as a result of my attendance. Because of the full reimbursement, the gift rule was not in effect and the trip was not reportable.

Sincerely,

MARION BERRY
