Dear Mr. Clerk:

Thank you for the letter dated March 20th, 2015 requesting additional information for my 2013 Financial Disclosure Statement. The letter indicates that three additional responses are required. Please accept this letter as an amendment to my original filing.

- **Schedule A-5:** Please change the income type for the IRA/Pension/Retirement Plan to "Tax Deferred," and add Nebraska Solutions and BugEaters to Schedule A with the following information.

Nebraska Solutions is a consulting firm founded in Omaha, Nebraska. Mrs. Ann Ashford owns approximately 50% and I own the other 50%. The current value is \$2,500 -5,000. Nebraska Solutions is a registered LLC in Nebraska.

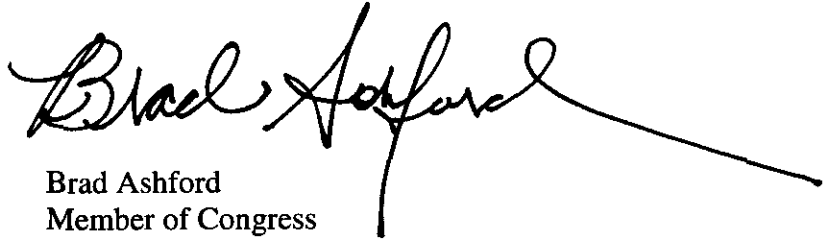

BugEaters, Inc. was founded in Omaha, Nebraska and is a registered S. Corp. Bug Eaters owns the trade mark for the terms "BugEaters Apparel" and "BugEaters Baseball" and receives a royalty payment when those terms are used. The current value of BugEaters, Inc. is \$50,000. I own 100% of the company.

- **Schedule A-7:** The note indicates the Committee needs additional information with respect to "Ferlic Investments." Per conversations with committee counsel, I submit the following information: Ferlic Investments is a family limited partnership established over 40 years ago by Mrs. Ashford's father. The assets are held in Omaha, Nebraska. Mrs. Ashford's parents are the controlling (general) partners and Mrs. Ashford and her three siblings each own a percentage interest, making Mrs. Ashford's interest 15.86%. The only assets held by Ferlic Investments are Exxon Mobil shares. Their total value is approximately \$700,000, so Mrs. Ashford's interest would be approximately \$105,000.

- **Schedule A-9:** With the amendment above, I have moved both BugEaters and Nebraska Solutions to Schedule A instead of Schedule E.

Please let me know if further details are required.

Respectfully Submitted,
