SCHEDULE II – ASSETS AND "UNEARNED" INCOME

BLOCK A

Asset and/or Income Source

Identify (a) each asset held for investment or production of income with a fair market value exceeding $1,000 at the end of the reporting period, and (b) any other reportable asset or sources of income which generated more than $200 in "unearned" income during the year.

Provide complete names of stocks and mutual funds (do not use ticker symbols).

For all IRAs and other retirement plans (such as 401(k) plans) that are self-directed (*i.e.*, plans in which you have the power, *even if not exercised*, to select the specific investments), provide the value for each asset held in the account that exceeds the reporting thresholds. For retirement accounts which are not self-directed, provide only the name of the institution holding the account and its value at the end of the reporting period.

For rental or other real property held for investment, provide a complete address.

For an ownership interest in a privately-held business that is not publicly traded, state the name of the business, the nature of its activities, and its geographic location in Block A.

Exclude: Your personal residence, including second homes and vacation homes (*unless* there was rental income during the reporting period); any deposits totaling $5,000 or less in personal checking or savings accounts; and any financial interest in, or income derived from, a federal retirement program, including the Thrift Savings Plan.

If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held with your spouse (JT), in the optional column on the far left.

For a detailed discussion of Schedule III requirements, please refer to the instruction booklet.

BLOCK B
