2008 Financial Disclosure Termination Report Gerald C. Weller

### **Footnotes**

Footnote 1, Schedule III – in reference to Investment Property, San Juan del Sur, Nicaragua:

I continue to maintain an ownership interest in real estate located in San Juan Del Sur, Nicaragua that had been previously consolidated from three separate lots. The year-end aggregate value of the remainder of the consolidated property is between \$500,000 - \$1,000,000.

In addition to the above real estate, I owned a separate lot in San Juan Del Sur, Nicaragua which was sold on 4 June 2008 for between \$15,001 and \$50,000.

### Footnote 2

As is indicated on my Financial Disclosure Statement for Calendar Year 2008, I certified that I excluded from the report "other assets, 'unearned' income, transactions or liabilities of a spouse or dependent child because they meet all three tests for exemption." Accordingly, I have excluded assets held by my wife that I (1) have no knowledge of; (2) have not contributed toward; and (3) do not expect to benefit from.

As the Committee is aware, in 2004 I married Zury Rios Sosa and sought the Committee's guidance regarding applicable ethical considerations due to her stat is of a member of congress in a foreign government. I am aware my wife may possess assets in her native Guatemala. However, I do not know what those assets are, nor have I inquired. Accordingly, I have not contributed to any of her assets. Lastly, I have not received any financial or economic benefit from her assets, nor do I expect to in the future. I derive my income solely from my salary and those assets I personally control. I do not use assets held by my wife to support or otherwise augment my own income. In addition, I will not inherit any of my wife's assets.

In 2005, I consulted with a private attorney, Jan Baran, of Wiley, Rein, LLP, who, along with my staff consulted with Ms. Carol Dixon of the Committee staff. They advised me that, based on this information, the exemption is being properly applied. I believe my situation continues to meet all the requirements for this exemption.
