Attachment to Schedule II - Assets and Unearned Income

Kurzon LLP is a law firm located in New York, New York. The good faith estimate of the candidate's value in the firm is based on prior years' revenue, assumes a continuing similar rate of income based on a perpetuity formula assuming a 5% rate of return on investment.

The valuation may be materially higher or lower depending on the outcome of pending litigation. Kurzon LLP is a defendant to a lawsuit in Federal District Court for the Western District of Michigan commenced by Thomas M. Cooley Law School. Although the plaintiff law school claims millions of dollars in damages, the firm believes it to be a frivolous action and has correspondingly filed an anti-SLAPP suit in Federal District Court for the Southern District of New York. Both actions are pending.
